Accidentally zapped into this and every ZORK II package by an addled wizard: your ZORK II disk, official tourist's guide to the Great Underground Empire and two travel brochures on the hottest resorts this side of ground level.

The Wizard appears, floating nonchalantly in the air beside you. He grins sideways at you.

The Wizard incants "Fantasize," but nothing happens. He shakes the wand. Nothing happens. With a slightly embarrassed glance in your direction, he vanishes.

EXPECT THE UNEXPECTED WHEN YOU TAKE ON ZORK II: THE WIZARD OF FROBOZZ.

As you explore the subterranean realm of Zork, you'll continually be confronted with new surprises. Chief among these is the Wizard himself, who'll constantly endeavor to confound you with his capricious powers. But more than that, you'll face a challenge the likes of which you've never experienced before.

GET INSIDE A STORY. GET ONE FROM INFOCOM!

It's like waking up inside a story! Load Infocom's interactive fiction into your computer and discover yourself at the center of a world jam-packed with surprising twists, unique characters and original, logical, often hilarious puzzles.

For the first time, you're more than a passive reader. You can talk to the story, typing in full English sentences. And the story talks right back, communicating entirely in vividly descriptive prose. What's more, you can actually shape the story's course of events through your choice of actions. And you have hundreds of alternatives at every step. In fact, there's so much you can see and do, your adventure can last for weeks and even months.

To find the Infocom interactive story that's right for you, just choose any one marked with the level of difficulty listed below that best matches your current level of interactive skill.

Introductory: Best introduction to interactive fiction, with some built-in hints. Written for everyone from age 9 up.

Standard: This is Infocom's most popular level of interactive fiction, enjoyed by both first-time and experienced players.

Advanced: A greater level of challenge. Recommended for those who've already experienced Infocom's interactive fiction.

Expert: The ultimate challenge in interactive fiction.

Then find out what it's like to get inside a story. Get one from Infocom. Because with Infocom's interactive fiction, there's room for you on every disk.
